Season's Greetings from Purdy's Chocolates

The Holiday Season is a very special time in the Purdy's Chocolate Kitchen, when the air is blended with a rich aroma of buttery creams and chocolate, and warmed by melted caramel and freshly roasted nuts. Although it is the busiest time of year, our Chocolatiers and Candymakers continue to carefully craft each and every treat with the same love, care and attention they would use if preparing it for their own families.

Since 1907, Purdy's Chocolates has become a tradition in the lives of many, helping celebrate special occasions and create special moments. The holiday season is truly a magical time that we love to share with you and your family. Whether it's celebrating old traditions or creating new ones, we wish all of you a happy holiday.

Happy Holidays

No Sugar Added Collection

Delicious and beautiful, Purdy's No Sugar Added Chocolate selection is the same fine quality as all of our chocolates. Maltitol is made from sugar alcohols, which are sweeteners used to replace sugar. Maltitol cannot be digested and processed by the body as a dietary carbohydrate and therefore does not have a direct impact on blood sugar. Excessive consumption may have a laxative effect.
