

Hello Ross Road Parents,

Greetings from the Ross Road Parent Advisory Committee. We hope you have enjoyed some relaxing family time with your kids this summer, in spite of the current added challenges of life.

We know parents are anxious for information. Important updates were sent to parents from North Vancouver School District (August 26) and Ross Road School (August 28). Please take a moment to read the information from the district and the school regarding the *NVSD Stage 2 Restart Plan*. We encourage you also to complete the [survey for parents](#), attached to the school district letter, to share your thoughts with NVSD.

We also know that parent involvement at school will change this year due to COVID-19. We are learning more about how we, as parents, can support both the school and each other this year, and we will continue to update you as we learn more.

With September approaching, as Dr. Bonnie Henry reminds us, let's be kind and be calm, particularly to our teachers and school administrators who are doing their best to support our kids in during uncharted circumstances.

Thank you!

Linda Munro, co-chair & Denise Dehestani, co-chair
