Well Fed Lunch Delivery Program Continues

The Well Fed Direct-to-Home Lunch Program trial was a great success with families enjoying fresh pre-made lunches delivered right to their door. It was so successful that it will continue and will now be offered on-going.

Tired of making lunches?!

With no hot lunch program running this year, this is a great alternative to give parents a break! Each week you get to choose, from a large variety of options, the number of lunches to be delivered to your home.

With each lunch purchased a donation is made back to the Ross Road PAC. Order by Wednesday evening for the following week's delivery.

Don't miss out on their seasonal menu of items like Traditional Holiday Stuffing, Sweet Cranberry Balsamic sauce, or Chai Shortbread Cookie Dough. Support a local business. Orders delivered to your home.
